

Information about Willy Street Co-op–North

- We're planning to open later this summer at the former site of Pierce's Northside Market.
- You don't have to be a Co-op Owner to shop in the store, but there are many benefits to Ownership, including having a voice in how your business is run and Owner-only sales.
- Being a Co-op Owner gives you the same benefits at any of the stores.
- We are planning to have a booth at the May 22nd Sunday Northside Farmers Market through the opening of Willy North.
- Working with Northside Planning Council & Kennedy Heights Community Center to offer a shuttle service.
- Our Co-op is governed by a Board of Directors. There are three seats open in the upcoming election. Any Co-op Owner can run for these seats. The deadline to complete nominations paperwork is June 1 at 9pm.
- For updates on Willy North, watch willystreet.coop or follow us on Facebook, Instagram or Twitter.
- Have a suggestion or question? We'd love to hear from you! Email us at thirdstore@willystreet.coop.
